CUSTOMER LOYALTY PRICING

We're committed to supporting your growth — and rewarding it. Our 2026 Tiered Pricing Program offers automatic discounts based on your previous year's purchases, with opportunities to move into higher tiers as you continue ordering throughout the year.

HOW IT WORKS

Your 2026 tier is based on your total 2025 purchases. Your discount is automatically applied to all qualifying plant orders.

Grow into a higher tier anytime. When your cumulative 2026 purchases reach the next tier threshold, your discount upgrades immediately — no waiting.

Tiers reset annually based on prior-year spending.
